CREDIT AGREEMENT

It is agreed that the Applicant will pay all invoices and billing statements within the terms and conditions of all invoices supplied by West End Lumber Co Inc (hereinafter referred to as "Creditor"). No terms or conditions within a purchase order that are different from the terms established as a result of this application can "override" the terms and conditions established as a result of this application. You are authorized to charge 1 ½% per month or 18% per annum; whichever is higher and allowable by law on all delinquent invoices. By my signature below, I am certifying that this request is for extension of credit for business purposes only and not for the extension of credit for personal, family or household purposes.

Buyer and Guarantors (Applicant) authorize all persons, institutions, organizations, companies, and credit reporting agencies to furnish any and all pertinent information, including commercial and consumer credit reports, requested from time to time by West End Lumber Co Inc (Creditor). The undersigned and Buyer (Applicant), if different, each warrant that the information given in this Credit Application and Agreement is true and no unfavorable information has been omitted. Our firm is financially able to meet any commitments we have made and we promise to pay your invoices according to our contracted terms. The extension of credit hereunder, the amount of credit and the cancellation or reduction of credit shall be within the sole discretion of West End Lumber Co Inc.

All parties agree that in the event legal action becomes necessary that it will be filed and tried exclusively in Harris County, Texas, and further agree to pay all collection costs if it becomes necessary to employ a collection agency or attorney to help collect the account. Special orders are not returnable. Please read all policies including the instructions on our invoice involving shortages, re-stock charges and limitations of liability on deliveries made beyond street pavement. I/We understand the credit terms and agree to follow them and authorize you to check any of the information contained in this application.

Applicant and all signers hereof, including guarantors understand that Creditor may extend credit under this application and agreement in reliance upon representations herein regarding the ownership or ownership structure of the Applicant. Any change of ownership structure of the enterprise identified herein as "Applicant" shall not relieve any person or entity lawfully answerable for debts of the Applicant including the guarantors of any obligation to Creditor hereunder or arising herefrom, unless and until Creditor receives written notices of such change by certified mail, return receipt requested, at 9335 Hwy 6 North, Houston, Texas 77095. Payment of any invoice by check or other means, which identifies a drawer other than Applicant shall not be sufficient to provide the notice required under this provision. The continuing liability of the Applicant and other signers described herein shall be in addition to, and not in lieu of, any rights arising against any other person or entity because of the change in ownership or ownership structure.

The undersigned individual who is either a principal of the credit applicant or a sole proprietorship of the credit applicant, recognizing that his or her individual credit history may be a factor in the evaluation of the credit history of the applicant, hereby consents to and authorizes the use of a consumer credit report on the undersigned by the above named business credit grantor, from time to time as may be needed, in the credit evaluation process.
